GROSSMAN DEVELOPMENT GROUP ANNOUNCES TWO NEW BUSINESSES ADDED TO LAKEWAY COMMONS

SHREWSBURY, MA – Grossman Development Group (GDG) is pleased to announce that two new businesses will be joining Lakeway Commons in 2018.

“Continuing with our promise to deliver unique food and services to Lakeway Commons and its surrounding neighborhood, we are thrilled to introduce our newest tenants, The Lash Lounge and Pacific Dental Services,” GDG Senior Vice President/Principal Jeremy A. Grossman said.

The additions will join the newly redeveloped plaza at the former Spag’s site, anchored by Whole Foods.

Based in Texas, The Lash Lounge specializes in customized eyelash extensions, utilizing an exclusive technique for each guest’s unique eye shape using a custom-built mapping system. The Lash Lounge also offers brow tinting, threading and extensions and the application of permanent makeup.

“We are absolutely ecstatic to open the first Lash Lounge in all of New England at Lakeway Commons,” said The Lash Lounge Managing Partner John Donahue. “After an extensive search, this location provides us with the most attractive site to bring this exciting and unique concept to the Worcester community and the New England area as a whole. We look forward to serving the community both through our new flagship store services and our community involvement.”

With over 600 offices in 19 states, Pacific Dental Services offers a dental support concept to handle a practice’s administrative aspects, allowing clinicians to focus more on patients.

“Lakeway Commons is the perfect home for the newest Pacific Dental Services office,” said Debbie Millsap, Director of Communications and Public Relations. “We are focused on creating healthier, happier patients in the local communities we serve.”

Both businesses will open later in 2018.
